

The above are but some of this years accomplishments. For the coming year we are planning a special event for the official opening of our new community centre, a Community Garage Sale in May, this years July 1st Crater Bash, regular dances for our youth, more recreational activities, the operation of more outdoor rinks, continued support for the scouting movement, participation in next years Icefest, public information meetings on such things as house assessments, and much much more.

Come out and encourage your Community Association by attending this years Annual General Meeting Thursday May 4th at 8 p.m. in the new Fallingbrook Community School. In attendance will be our MPP Jean Poirier as well as our Mayor Peter Clark. Both have been invited to update residents on what's happening in the community.

George Blake
President

GARAGE SALE

Fallingbrook Garage Sale - May 6

Planning a garage sale this spring? Mark May 6 on your calendar. That's when all of Fallingbrook will have a community garage sale. We will advertise the event, all you do is put your items on your driveway. Rain date will be Sunday, May 7.

Population: 8501
Residences: 2452

| NET INCOME | \$3,321.94 | (\$600.00) | \$3,921.94 |

Presidents' Annual Report

My how time flies! In just four short years we have gone from an empty field east of the Tenth line to a dynamic, vibrant community of over 8,000 people. I'm sure many of you remember when just about everything east of the tenth line was mud (and for some it still is), when nobody could find us (including Canada Post), when you could see your home from the tenth line or when there was no parks or schools (or anything else for that matter) in Fallingbrook. Your community association has been working hard to make Fallingbrook a people place, a place where everyone can be proud to live. Some of the associations accomplishments over the past year have included:

- a) organizing last years tremendously successful July 1st Crater Bash (this years celebration promises to be even better so keep July 1st open)
- b) organizing various recreational sporting activities such as badminton, volleyball and hockey
- c) with the help of a township grant, the operation of two outdoor high board skating rinks
- d) organizing our second annual Crocus Caper
- e) participation in Cumberlands Icefest (we organized the broomball tournament)
- f) organizing municipal and federal all candidate meetings
- g) lobbying for improved bus service
- h) lobbying for the right to use Orleans as our mailing address
- i) lobbying various levels of government for improved services for Orleans and Fallingbrook in particular (better roads, more schools, recreation facilities etc.)
- j) publishing this newsletter so as to inform residents on what's happening in their community.
