Fallingbrook Community Association

## Annual General Meeting

Thursday May 12 at 7:30 p.m.

Fallingbrook Elementary School

679 Deancourt Crescent

All residents of Fallingbrook are invited to attend the annual general meeting of the Association. The agenda for the evening will include a **key note address by mayor Brian Coburn**, election of officers for the Association for 1994/95, and a review of our activities.

Come out and join us! New members are always welcome. Hope to see you there!

# President's Annual Report

The past year has been a very active and challenging time for the Fallingbrook Community Association. While we have been able to continue to provide representation for the community on various local and regional issues we have also been very fortunate to have attracted some new members who have been able to dedicate their volunteer efforts to ensure that our community will continue to benefit from local safety, planning, and social initiatives.

One of the more popular and well attended events that we sponsor each year is the Canada Day Celebration. Thanks to the efforts of this year's chairman for this event, Mr. Paul Pelletier and the Canada Day committee, the tradition will continue. We look forward to seeing you all at this year's festivities which will again be held at the Ray Friel Centre on 10th Line.

Another social type function that we coordinate annually is the Fallingbrook Community Garage Sale Day. If you are interested in participating and benefiting from the local advertising which we provide, please do so on May 7th.

Throughout the year our Community Association works in cooperation with the Cumberland Municipal Council and other associations on issues of importance to Fallingbrook. In the last twelve months some of the issues we have held discussions on included: the new Cumberland Elementary School, Regional Reform, recreation program development, O.P.P. community policing initiatives, traffic and road improvements, and local planning applications. These, and other concerns, are the types of interests that the Community Association pursues on behalf of all residents of Fallingbrook. It is imperative that this type of discussion and feedback from our community continue. We reside in the residential growth centre for the Township. Future expansion which will take place to the east and south of our community will also impact on us. It is therefore in our best interest to maintain an open and ongoing relationship with the municipality. To their credit, the Mayor, Councillors and the municipal staff have been equally interested in fostering a good relationship with the community groups and we thank them for this.

On May 12th, the Fallingbrook Community Association will be conducting its Annual General Meeting. It is at that time that the association's executive for the upcoming year will be installed. It has been my pleasure to serve in the capacity of President of the Association for the past two years and I wish to thank the members of the executive for their support. It is through

their combined efforts and their selfless dedication, together with all of the residents, that we strive to make Fallingbrook and the Township of Cumberland the great place that it is.

Please join us at the Annual General Meeting, become an Association member and be a part of our future!

Herb Kreling  
President

# Fallingbrook Community *Garage Sale* Saturday May 7

The Fallingbrook Community Association is again organizing its annual community garage sale Saturday May 7. This is the day when everyone who wishes to participate holds their own garage sale in their driveway. Because of the large number of garage sales in the same area on the same date, there are lots of traffic and lots of customers, so be sure to join in. We will advertise in the local papers, it's up to you to organize your material. If you live on a side street, you might want to attract more customers by putting up signs at intersections.

**The sale starts at 9 a.m. and will be held rain or shine.**
