

# FALLINGBROOK Newsletter

Fallingbrook Community Association ~ Association communautaire de Fallingbrook

If you were to ask anyone, when was the last time a state of emergency occurred? Most would not be able to respond. The last time a storm of this magnitude was recorded was in 1840. One thing was noticed. The feedback received was that friends, neighbours, families and complete strangers were brought together to face the biggest challenge this area has encountered, the survival of one of the worst disasters to hit in this area in over 150 years. Luckily enough, injuries were kept to a minimum.

Everyone in Fallingbrook at one point or another lost power, felt alone and lost in the dark surroundings. Try to imagine what you were feeling at that precise moment. Unable to see, searching for a means of light such as a flashlight in which the batteries were probably dead from sitting unused too long. Maybe you were unable to find that flashlight and decided to go the old fashioned way,

searching in the darkness for candles you put in a drawer, you find them in the bottom of the full drawer. Some of us look outside for reassurance that we are not the only ones affected by the power shortage and a short time later the power comes on. Unfortunately, some of our neighbours aren't so lucky. Many families with children and animals are left in the cold, in total darkness, with no water to wash or even to drink the inability to cook a hot meal and with the phone lines down, no ways of communication to the rest of the world around them. These are some of the things witnessed during our State of Emergency.

Trees camouflaged by the accumulated ice so heavy you can hear branches cracking. Roads covered in snow, ice and fallen trees or branches remained several days throughout our State of Emergency, preventing and at times stopping

emergency vehicles from reaching their destinations. Families and neighbours relying on each other for shelter, food or reassurance that everything will be okay. That remained the question, can we survive this disaster and how long would we wait?

Several shelters were set up for the benefit of residents in this state of crisis including the Ray Friel Centre where the staff was excellent and worked around the clock to help anyone in need. Donations received were incredibly generous making food something that the shelters never lacked in. Local businesses and residents showed their continued caring and friendly nature. The kindness of all these people should not be ignored. These are the reasons that Cumberland remains the best place to raise your family.

The Emergency Operations Centre led by Mayor Coburn and his staff organised

patrols of all Cumberland, so that an assessment of damage could be done on all the areas affected and Cumberland received help from troops from Petawawa to help with the clearing and patrolling of all Township areas devastated from this storm. It may have taken a week to get Cumberland under control, but all in all, we have recovered from this devastation and along the way reunited with old friends and colleagues, as well as the pleasure of knowing that we made many new friends that we shall remember forever in this time of need. To all those who have helped, whether it was a small gesture or the many hours given in need, I would like to thank you and commend you for your actions. I look forward to seeing you soon.

*Ron Hamelin*

President  
Fallingbrook Community Association

## Ice Storm '98 - Tempête de Verglas '98

### Locals help out / Les locaux viennent à l'aide

Since most or all of Fallingbrook did not lose power during the storm, our local Ray Friel Centre was converted into a "shelter". The Fallingbrook Community Association would like to thank the following businesses and residents (that we know of) for helping with supplies for those in need.

SUB-WAY owner Jim Fayder at 1675 10th Line Rd for the individual juices, potato chips, freshly baked cookies, and supplies like napkins, styro soup bowls, salt, pepper, and drinking cups.

LOEB-IGA owner Rolly Laberge at 1675 10th Line Rd for the milk, maple syrup and plates, milk pitchers, can openers and the loaves of bread that were in high demand everywhere. Rolly even offered that we call him at home at any hour of the night should the need arise.

*continued on page 4*

Étant donné que Fallingbrook a si bien résisté à la tempête de verglas 1998, le centre Ray Friel a été converti à un centre d'hébergement. Votre association communautaire de Fallingbrook veut ainsi remercier les commerces et les résidents (ceux que l'on connaît) qui sont venu en aide sans hésitation.

SUB-WAY: le propriétaire Jim Fayder au 1675 10th Line Rd pour les jus, croustilles, biscuits, ainsi que les bols à soupe en styro, les serviettes de papiers, le sel et le poivre, et les verres jetables.

LOEB-IGA: le propriétaire Rolly Laberge au 1675 10th Line Rd pour le lait, le sirop d'érable et les assiettes, les ouvre boites, des cruches lait et les pains qui étaient tellement en demande. Rolly a même offert d'être disponible en tout temps, la nuit, comme le jour!

## Canada Day '98: PLANNING UNDERWAY

by Paul Pelletier  
Chairman, Fallingbrook Canada Day Committee

Next July 1st Fallingbrook will celebrate its eleventh Canada Day Celebration. Given the time of year, most of you probably just checked the date of this newsletter! The Canada Day committee, an all-volunteer gang of patriotic revelers, would like to invite new volunteers of any age to give us a call. Most of us on the committee have been doing this since the beginning and unanimously feel a great sense of satisfaction with what gets accomplished. But we need a helping hand!

Canada Day in Fallingbrook has been offering more activities year after year and is getting to be a huge event. Last year's was most likely the best-attended volunteer run Canada Day in the country. Planning is underway now and a few of the early must-get-done's have been completed: the rides are booked, the stage is booked, and of course, the fireworks are booked.

One great way to really get into the spirit of things is to participate in planning for and/or working on the BIG day. How can you help? Here is a sample of the roles and responsibilities we are seeking help for:

**Bicycle contest coordinator:** recruit judges, decide categories, get prizes.

**Kids Fair organizer:** plan, build and setup games for the under 10's, recruit lots of volunteers for this one, get prizes.

**Ball hockey shoot-out:** organise a ball hockey game, games or tournament for various age groups (perhaps for any or all of under 9, under 12, under 14). We think this one could be a big hit!

**Afternoon entertainment coordinator:** booking acts, organizing stage times.

**Lightstick sellers:** this one entails little time (60 to 90 minutes) but you are tremendously busy. The financial success of our Canada Day celebrations depends upon selling all of our lightsticks.

**Volunteers for the Kid's Olympics:** always a big hit, you can help with the setup and the running of our classic Olympics.

**Pet show organizer:** look for sponsor, judges, plan the format, categories.

**Sign making:** always a must.

Anything new you would like to see in '98.

Your help can range from simply lending a hand to coordinating an activity. Rest assured we will support you all along the way - help you with budget planning, logistics and fundraising.

For younger teenagers, this is a great way to get some of that dreaded job prerequisite known as "work experience", even as a volunteer. Last year, quite a few teenagers enthusiastically helped with site setup (hang up flags and banners, move picnic tables in place, setup traffic controls, setup fireworks fencing) and the running of the kid's fair. A few teenagers could, I am sure, organise a great ball hockey activity for the younger, littler folks. For all teenage volunteers, the Canada Day committee will issue you a certificate to add to your résumé.

If you can spare some precious time, we can provide you with some fulfilling fun. If you enjoyed any of the first ten parties, we hope to see you back for more.

To learn more on how you can volunteer, please call the number below. Thank you!

## NEIGHBOURHOOD WATCH SURVEILLANCE DE QUARTIER

### What is the Neighbourhood Watch Program ?

Without knowing it, we all do a bit of Neighbourhood Watch; we pick up papers for our neighbour when they are away, we do things to increase our home security, etc. The intent of the program is to prevent crime, and we all have that common goal of protecting our possessions. One coordinated effort has a better chance of success than many individual efforts. The Neighbourhood Watch Program provides that coordination.

Since we unconsciously do Neighbourhood Watch type activities, you may ask **why do we need to register?** Registering is done for four reasons:

- The police requires 80% of our residences to be registered in order for the Neighbourhood Watch signs be installed at all streets entering Fallingbrook. These signs warns criminals that this community is an active crime fighter;
- We provide you with useful security information on how to improve your own security, which you can use if you wish;
- We provide you with information on how to set-up your Security Team. That team is normally composed of your residence, your neighbour on each side and the three across the street. This is not mandatory, but highly recommended, as it allows members of one team to mutually watch over each others property; and
- It allows us to include your home telephone number into our Emergency Calling List. That list is only used to quickly pass critical security information from the police to the entire community. We may perform a test of that system from time to time to assess its effectiveness.

### The minimum information required for registration is:

- the name of one adult per household; and
- the home telephone number (indicate if 'unlisted').

We presently have 35 Street Captains, but we need many more for this program to work. Call me if you are interested.

Neighbourhood Watch reduces crime, but only because of your participation. Without your vigilant eye, there is no success. Continue your vigilance, and do not hesitate to call me if needed.

### Qu'est le Program de Surveillance De Quartier?

Sans le savoir, nous faisons tous un peu de Surveillance De Quartier; nous ramassons les journaux pour notre voisin lorsqu'ils sont partis, nous augmentons la sécurité de nos maisons, etc. Le but du program est de prévenir le crime, et nous avons tous ce but commun de protéger nos biens. Un effort coordonné a une meilleure chance de réussir que plusieurs efforts individuels. Le Programme de Surveillance De Quartier fournit cette coordination.

Puisque nous faisons inconsciemment de la Surveillance De Quartier, vous vous demandez probablement **pourquoi devons-nous s'enregistrer?** Cette enregistrement est faite pour quatre raisons:

- La police exige 80% de résidences enregistrées pour que les enseignes de 'Surveillance De Quartier' soient installées sur toutes les rues entrant dans Fallingbrook. Ces enseignes avertissent les criminels que notre communauté combat le crime activement.
- Nous vous fournissons de l'information sécuritaire utile sur la manière d'améliorer votre sécurité, que vous pouvez utiliser au choix;
- Nous vous fournissons l'information pour établir votre 'Equipe de Sécurité'. Cette équipe est normalement composée de votre résidence, votre voisin de chaque côté et des trois voisins d'en face. Ceci n'est pas obligatoire, mais fortement recommandé pour permettre aux membres d'une équipe de mutuellement surveillé leur propriété; et
- Nous incluons votre numéro de téléphone dans notre 'Liste d'Appelle d'Urgence'. Cette liste n'est utilisé que pour dissimuler rapidement l'information sécuritaire critique de la police à toute la communauté. Un test de ce système peut être exécuté de temps en temps pour vérifier son efficacité.

### L'information minimum requise pour l'enregistrement est:

- le nom d'un adulte par résidence; et
- le numéro de téléphone de résidence (indiquer si 'non-listé').

Nous avons présentement 35 Capitaines de Rue, mais nous en avons besoin de plusieurs autres pour faire fonctionner ce programme. Contacter moi si vous êtes intéressés(es).

Surveillance De Quartier réduit le crime, mais seulement à cause de votre participation. Sans votre oeil vigilant, il n'y a pas de succès. Continuez votre vigilance, et n'hésitez pas à me contacter si nécessaire.

**PRESIDENT'S  
WORD**

**MOT DU  
PRESIDENT**

On behalf of your Fallingbrook Community Association, I would like to take this opportunity to wish you and your family a New Year full of prosperity, happiness & health. When looking back to 1997, we have adapted to the progress of the 90's, getting on-line via e-mail so that you can reach us much faster. Cumberland residents elected councilors for the Region and the municipality who will take us into the new millennium. We have also received approval from Township for the construction of our Community Centre. It will be located adjacent the new Carleton Board of Education school being constructed at Valin & Provence streets, and is scheduled for opening in the fall of 1999.

Au nom de l'Association communautaire de Fallingbrook, j'aimerais vous souhaiter à vous et votre famille une année de joie, santé et bonheur. Lorsque je regarde l'année 1997, je vois que nous avons survécu beaucoup de changements. Nous nous sommes adaptés au progrès des années 90 et tous les directeurs sont maintenant abonnés au courrier électronique pour que vous puissiez nous rejoindre plus rapidement. Les élections à Cumberland au niveau fédéral, régional et municipal nous transporteront dans l'an 2000. Nous avons reçu l'approbation pour notre centre communautaire à Fallingbrook qui sera situé au coin des rues Valin et Provence à la nouvelle école du conseil de Carleton qui ouvrira ses portes en automne 1999.

Things to look forward to in 1998 are: your Fallingbrook Community Association's Website, Citizen's Panel on Local Governance in Ottawa-Carleton who will come up with a few options for local government, more Teen dances, Fallingbrook Winterfest 98, our Annual General Meeting in May and much more...

A venir en 1998: le Website de votre Association Communautaire, le Comité de Citoyen sur la gestion Publique dans Ottawa-Carleton qui offrira quelques options de structures gouvernementales, les danses pour les adolescents, Carnaval d'hiver à Fallingbrook, la Réunion Annuelle Générale au mois de mai et bien autres choses...

Come see us at our meetings and voice your concerns and suggestions. We meet every 3rd Monday of the month at Ray Friel 7:30pm start.

Venez participer aux réunions et présenter vos suggestions. Nos réunions sont le 3ième lundi du mois.

*Watch for details on our web site, to be available soon.*

**REGIONAL REFORM  
OPEN FORUM**

*Hosted by Councilor Frank Dugal*

The changes made to the Citizens' Panel schedule requires that I set a new date for my Open Forum. The meeting will now take place on Tuesday, March 31 between 7:30 and 9:30 p.m. The Open Forum will be held at the Ray Friel Centre community room located on the main floor. My guest will be **Camille Guilbault**, a member of the Citizens' Panel on Local Governance in Ottawa-Carleton. I invite residents of Fallingbrook and other areas of Cumberland to come and hear about the progress being made, and some of the governance models being considered. It is important that you attend and share your views and ideas.

**ATTENTION**

**Parents & Child Care Providers**

The Charlemagne Preschool Resource Centre, located in St. Peter's High School, offers many services to parents, providers and their preschoolers. These include a drop-in, toy library and various workshops such as CPR, First Aid, Caregiver Training and Nutrition. A warm welcome is extended to all. For more information please call 834-0081.

**COMMUNITY CENTRE**

Congratulations Fallingbrook! A Community Centre will be built in Fallingbrook in the fall of 1999. Your Association has expressed for the last 12 years that a Community Centre was needed in our fast growing community, and on December 16, 1997, Township unanimously approved \$1.1 million for its construction. To save tax dollars, it was also agreed that the centre would be co-located with the new CBE school to be built at Valin and Provence in order that a joint-use agreement could be implemented. We will keep you posted on what this facility will offer as the details are only now being discussed. See, there is a Santa Claus! All you need to do is believe!!

**CENTRE COMMUNAUTAIRE**

Félicitation Fallingbrook. Un Centre Communautaire sera construit à Fallingbrook en automne 1999. L'Association a exprimé depuis les dernières 12 années la nécessité d'avoir un Centre Communautaire à Fallingbrook pour une communauté qui continue à grandir et le 16 décembre, 1997, le Canton de Cumberland a approuvé \$1.1 million de dollars. Cette argent sera mise de côté pour la construction. Ce Centre Communautaire sera co-joint avec le conseil (CBE) et se trouvera à l'angle des rues Valin et Provence. Nous sommes toujours en discussion concernant les détails et continuerons à vous informer sur ce sujet. Vous voyez, le Père Noël existe toujours, il suffit que d'y croire!!

**GUIDE - SCOUT WEEK**

**February 15 - 22, 1998**

Locals: from page 1

TIM HORTON'S for the donuts.

LYNN HAMELIN for the delicious pot of spaghetti and tomato sauce that she provided. Lynn also sent cereals, sugar, coffee, cookies, apple juice and peanut butter.

GABRIEL'S sent five large pizzas and 40 portions of spaghetti and sauce, individually wrapped.

Unidentified individuals have dropped off pies and vegetables - to all, a heartfelt THANK YOU!

SERCO management and staff volunteered immediately to operate the shelter, putting in round-the-clock hours.

There are no doubt countless other examples of generosity from local Fallingbrook businesses and residents. The Fallingbrook Community Association wishes to highlight the people above as examples of those who did not hesitate for a moment to help out when members of your community association asked on behalf of the shelter.

From Ron Hamelin, President and Marc Cappelli, Vice-President of the Association, we both wish to thank our association's executive and members at large for all their help in a variety of capacities as volunteers in neighbouring communities in the township of Cumberland, throughout this emergency. The communication between the presidents of the Townships' community associations was cooperative and effective.

Les locaux: de la page 1

TIM HORTON'S pour les beignes.

LYNN HAMELIN pour le spaghetti et la sauce de tomates. Lynn a apporté des céréales, du sucre, du café, des biscuits, jus de pommes, et du beurre d'arachides.

GABRIEL'S pour les cinq pizzas (large) et les 40 portions de spaghetti et de sauce individuellement enveloppées.

Aux individus non-identifiés pour les tartes et les légumes - un grand MERCI A TOUS.

La gestion SERCO et leur employés pour avoir offert immédiatement à titre de bénévoles de gérer le centre d'hébergement 24 heures sur 24.

Il y a sans doute des multiples d'exemples de générosité provenant de commerces et d'individus de la communauté de Fallingbrook. Votre association communautaire de Fallingbrook vous offre à titre d'exemple les gens ci-haut mentionnés, qui ont aidés immédiatement lorsqu'ils ont appris que le centre d'hébergement Ray Friel ouvrirait.

Ron Hamelin, président et Marc Cappelli, vice-président de l'association remercient l'exécutif ainsi que les autres membres de l'association pour leurs bénévolats dans les communautés voisines à travers le canton de Cumberland tout au long de cette urgence et dans les semaines à venir. La communication entre les présidents des associations communautaires du canton a été excellente en vue des circonstances.

## ICE STORM 1998

I hope you and your family survived the Ice Storm without too much hardship. The Fallingbrook area managed to weather the storm with relatively little damage. A few homes lost power and some tree damage was experienced, but, all in all it was nothing compared to the hardships our rural neighbours experienced. I certainly hope this is not an indication of what the rest of the year will bring.

I would like to take this opportunity to thank all those who worked so hard to ensure that the residents of Cumberland remained safe and secure. I would like to recognize the contribution made by the employees of the Township, the Firefighters, the Ottawa-Carleton Regional Police, the Ontario Hydro workers, the Military personnel, the amateur radio operators, the Regional Government's co-ordination role and most importantly the community volunteers. Thank you all for giving of your time and resources.

Frank Dugal  
Councillor  
Fallingbrook Ward

Should you need to contact me, my home number is 824-1138, my Internet address is "fdugal@sprint.ca" and my fax number at Townhall is 830-8741.

## OUTDOOR RINKS

This year, our outdoor rinks opened in mid-December for an early start. I would like to take this time to thank all 88 applicants for the maintenance or supervisor roles. It is nice to see such an interest in working with your Community Association. Our goal is to support the employment of local students, thereby giving them the much needed experience and knowledge required for today's hectic workplace.

For all rink users, please keep in mind that without your help and support, these rinks would be non-existent. We ask that you show patience with these student contractors. While they are paid to clean and maintain the rinks, don't forget that as long as it takes them to get the rinks cleared, no one is permitted to skate until the job is finished. So be kind and respectful, as our community is known to be, and grab a shovel and help out. It is you that benefits from these types of programs.

For reservations please call the Rink Manager at 834-4015 or 834-1760, and in the meantime, have fun.

## SOCIAL COMMITTEE

As we move into 1998, my wishes for a safe and healthy year are extended to you and your families. With Ice Storm'98 just behind us, I hope that you will now be able to enjoy the rest of the winter.

Fallingbrook Winterfest is here!! The Fallingbrook Community Association will be holding its first Winter Festival, with events beginning Friday, February 6th and ending on Sunday, February 8th. Winterfest starts off with a dance for Youths (10-16 years) on Friday, February 6th from 7:30pm to 11:00pm at the Ray Friel Centre Upper Floor. Admission is \$3.00. Music by Disco Laser 2000, DJ Eric Brunet. Door prizes to be won. On Sunday, February, 8th the following events will take place at the Fallingbrook Community Elementary School: from 9:00am to 12 noon there will be a competitive, commercial broomball tournament; from 12 noon to 4:00 pm there will be skating, tobogganing and sleigh rides, as well as a few neighbourly broomball games amongst Cumberland Community Groups. Canteen services will be available. If you are interested in helping out with any of the Winterfest events, we could certainly use your support. Please contact Zybina Richards at 837-7623 or Ron Hamelin at 834-1760.

As Social Committee Director, I would like to urge all Fallingbrook residents to join us for a fun-filled weekend.

Zybina Richards

## PATINOIRES EXTÉRIEURES

Cette année, nous avons ouverts nos patinoires extérieures vers la mi-décembre. J'aimerais prendre l'occasion pour remercier les 88 jeunes qui ont appliqués pour les positions de maintenance ou supervision. C'est un plaisir de voir tout l'intérêt que vous avez pour votre Association Communautaire et notre bût d'employer des étudiants afin de leur donner de l'expérience et des connaissances nécessaires pour leur future.

A tous les gens qui utilisent les patinoires, sans votre coopération, celles-ci n'existeraient pas. Nous vous demandons d'être patients envers ces travailleurs. C'est leur ouvrage de nettoyer et maintenir la surface de ces patinoires. Rappelez vous qu'aussi longtemps que ceux-ci ne sont pas déneigés, il n'est pas permis de patiner. Vous serez toujours les bienvenus si vous voulez prendre des pelles et aider. C'est vous qui bénéficiez de ces programmes.

Pour réserver les patinoires, s.v.p. téléphoner le gérant des patinoires au 834-1760. Amusez-vous bien.
