ANNOUNCEMENT of ANNUAL GENERAL MEETING

TUESDAY, APRIL 28th

Fallingbrook Community Association's second Annual General Meeting will be held on Tuesday, April 28, 8:00 p.m., at the Queenswood Heights Community Centre.

The evening will be an interesting one. A review of last year's achievements and a report on the results of our recent membership drive will be given. At this time also, you as members of the community, will have the opportunity to elect a new Board of Directors for the upcoming year.

Two guest speakers have been invited for the evening; our Mayor Peter Clark, and Councillor Paul McDonnell, Chairman of the Township's Recreation Committee. They will jointly address a topic of major interest to us, the issue of recreational needs for our community.

The evening will conclude with refreshments being served. At this time, all are encouraged to take the opportunity to meet the members of the Board and our guest speakers and to share with them any concerns or ideas which you might have.

I would like to conclude by asking that as many people as possible attend this meeting. A large turnout will indicate your support for OUR ASSOCIATION and an interest in our community. Come and help motivate us to continue volunteering our time and effort to shape the community into a most desirable place in which to live.

Peter McNamara
President

TO ALL NEIGHBOURHOOD WATCH MEMBERS
AND CITIZENS OF FALLINGBROOK

Your Neighbourhood Watch Association Committee has been working for the past year to recruit citizens of Timberley's Club Citadelle, Pérez's Pineridge Glen, Pineridge and Fallingbrook. Your help is still needed to make our community safe and secure from criminal activities.

We encourage everyone, present and prospective members alike, to participate on the weekend of April 25th/26th. Our organization will attempt to call on everyone, seeking your active support for the programme. If you won't be at home or if we miss you, call one of the committee members below.

Can you really afford not to participate in a programme that asks for no money, so little of your time and offers a good, warm feeling of neighbours watching out for you. Remember; no matter how good your home security system is, if someone wants to get in, they will...but if your neighbours are watching, the criminal will not get away unnoticed and may well be apprehended by the police after a tip from your neighbour. We do not organize patrols and we are definitely not vigilantes. We are concerned citizens.ARE YOU?

Let's have strong community support for Neighbourhood Watch!

Note: The annual Fallingbrook Neighbourhood Watch Association spring general meeting will be held at the Queenswood Heights Community Centre, 8:00 PM May 5th. Our scheduled guest speaker, a member of the RCMP, will speak on *Drug Abuse*.

A TOUS NOS CONCITOYENS

Le comité organisateur du programme de surveillance de quartier de notre secteur (le Club Citadelle de Timberley, Pineridge Glen de Pérez, Pineridge et Fallingbrook), travaille depuis un an au recrutement de citoyens intéressés à nous aider pour faire en sorte que notre quartier soit bien protégé.

En conséquence, le 25 et 26 avril, nous vous solliciterons, membres et non-membres à nous supporter dans nos efforts. Si vous êtes absent, vous pourrez nous rejoindre à un des numéros mentionnés ci-dessous.

De nos jours une association qui n'exige aucune contribution financière de ses membres, c'est très rare. Tout ce que nous vous demandons, c'est d'y consacrer un peu de votre temps; vous en tirerez un sentiment accru d'appartenance à votre communauté et vous pourrez quitter votre demeure en toute quiétude en sachant que des voisins veillent pour vous.

Souvenez-vous cependant qu'aucun système d'alarme, si perfectionné soit-il, ne peut empêcher un voleur expérimenté de commettre un acte criminel dans votre résidence. Un criminel peut être arrêté plus facilement par les policiers suite à des informations reçues de vos voisins.

Nous ne sommes pas une association de patrouilleurs.

Nous sommes des citoyens responsables. ET VOUS?
Aidez votre communauté en devenant membre de notre association!

Note: La prochaine réunion de l'association aura lieu le 5 mai au centre communautaire de Queenswood Heights à 2000 heures. Le conférencier invité, un policier de la Gendarmerie Royale du Canada, donnera un exposé sur *les drogues*.
